Since 1942, the Red Gold family has been producing premium quality tomato products. To produce the freshest, best tasting tomato products in the world has been our mission since we started serving plants and raise them in an ideal climate... because the Midwest has the right temperature, consistent rainfall, plenty of sun, and some of the richest soil in North America thanks to the minerals deposited from a glacier during the Ice Age. Our vine-ripened tomatos are selected for optimum heartiness, texture, sweetness, color and consistency and sustainably grown with meticulous care on local multi-generation family farms. The diversity of our tomato products from whole peeled tomatoes to ketchup, sauces and salsas is unparalleled. Be assured that you will find quality throughout our entire product line... because quality begins with the best tomatoes!

Our fourth generation family owned company remains committed to having the best quality tomato products, employees, growers, and family of brands: Red Gold®, Redpack®, Sacramento®, Vine Ripen®, MyGarden™, Terrell® and King Kong® Sracrao Tomato Products.
