This program is an investment in your child's future; providing them with the necessary knowledge and experience to become a safe driver.

Below is important information about the program and the process for registering your child. Thank you for your interest and participation in our program. Please contact us at (585) 637-1961 with any questions or concerns.

Respectfully,

Jerrod D. Roberts

Special Note: NYS mandates that all students must attend 16 classroom sessions and 16 driving sessions. **This is a commitment.** Therefore, if you miss a class or driving session- you may have to wait until the Fall session in the middle of September to make it up, and then you will be able to receive your certificate of completion for the course. Thank you for your understanding.

Students must have the following:

- Permit/license
- NYS Driver Manual
- Notebook/folder
- Writing materials
- Sunglasses are encouraged
- Appropriate footwear (i.e. no backless sandals)

Driving groups: will start and end at the High School pool door (east side) parking lot. ALL students must attend ALL classroom and road classes to receive a certificate (MV285). Should a make-up driving class be requested by a student due to extenuating circumstances, they will be scheduled at the discretion of the instructor. Scheduling of or transportation to the road test are not included. Parents or other qualified adults should plan to devote time for enrolled students to practice the skills learned in this class. Only experience and good judgment makes a safe driver. A current NYS Learner's Permit must be brought to all classes.

PLEASE PAY SPECIAL ATTENTION TO THESE REGISTRATION INSTRUCTIONS – THANK YOU!

Please send your **payment** and **completed registration form** along with a **copy of the student's** permit/license to the address listed on the registration form. The cost is \$470 for district residents, \$490 for non-residents. The registration process will end on Wednesday, June 21, 2023. Please select your drive groups, listing your choices in order of preference. First priority will be given to resident seniors, then resident juniors, then underclassmen and non-residents. Every effort will be made to accommodate your request. You will be notified by e-mail or telephone. If a registrant did not get into one of the summer sessions, they will be notified in writing and placed on a priority list for the next session.

Enrolled students will receive instruction in the classroom, behind the wheel, and on the road as required by New York State Department of Motor Vehicles. Those successfully completing the class will receive an MV285 certificate that gives the holder the privilege to receive a Class D operator's license when reaching age 17, allowing them to drive after 9 pm.
